### LED Color Changing Lighting

Transform the look of your pool with color LED lighting

#### Tired of Dim Fiber Optic Lights?

### We Have a Solution!

With the compact technology of LED lighting, this NEW dynamic lighting design can, in most applications, replace your dim Fiber Optic lights. Transform the look of your pool with Color LED Pool Lights. With 9 vibrant colors & 5 light shows, this is sure to pique the interest of your neighbors.

#### Tired of the boring white light ?

### We Have a Solution!

IntelliBrite® 5g automated color-changing pool and spa lights will replace the popular Amerlite White "Flood Light Bulb" Style fixture. The 5g features LED technology; the wave of the future in energy efficiency, lifetime value, quality of light, and controllability.
