POOLIFE Multipurpose® 3" Chlorine Tablets

These unique Multipurpose 3" tablets were developed using new all-in-one technology to provide continuous chlorination, clarify pool water and prevent algae growth. The patented formula prevents algae growth for up to 8 days longer than regular 3" trichlor tablets. These proprietary tablets are sun protected for extended chlorine life and can be used in floaters or feeders.

Multipurpose Shock

Swim 15 Minutes After Shocking!!!

This oxidizer is a proprietary blend of a powerful oxygen-based oxidizer, and a dry clarifier that replaced Shoxidizer. This unique formulation provides the benefits of oxygen-based oxidation while boosting free chlorine concentrations. This one-two punch keeps water sparkling clean and clear by eliminating organic contaminants.

- Will not affect water balance
- Clarifies water
- Dissolves quickly
