POLARIS® TR35P INGROUND POOL CLEANER

One of our most powerful and durable automatic pool cleaners easily connects to a dedicated pressure line. BATTERY POWERED LEAF VACUUM

The Pool Blaster® Battery Powered Leaf Vacuum is designed for residential pools, completely self-contained. It does not rely on garden hose pressure to get the job done. Instead, its "on-board" Motor, Transmission and Safety Clutch combine to lift leaves, seeds and twigs right off the pool floor and deposit them into its high capacity debris bag.
