

Service Technician

Our company is seeking honest, reliable, and hardworking team players to join our company as a Swimming Pool Service Technician or Technician Apprentice. No experience is necessary, only the willingness to learn, work hard, and do the job that's assigned.

This is NOT a seasonal position.

Any candidate must be able to learn quickly, communicate with managers and clients effectively, and take great pride in any work they perform.

Simple IRA, health/dental/vision/life insurance, paid holidays, and paid time off are available. Although not a sales position, commission is earned often on sales. Bonuses are also common and available based on the individual revenue generated and attributed to the employee, as a result of services they directly perform.

Experience will determine job duties, responsibilities and compensation.

Job duties may include but are not limited to:

- Cleaning pools and maintaining proper water chemistry with test kit
- Safely working with hazardous chemicals and maintaining records of usage
 - Understand and carry out written directions.
 - Maintain Records and invoicing customers
- Be responsible for maintaining a clean, safe, organized and stocked vehicle
 - Recognizing equipment in need of repair or replacement
- Servicing major pool equipment such as pumps, motors, and filters.
 - Opening and closing of in ground pools
 - Assisting in replacing pool liners and covers
 - Repairing or replacing pool equipment
- Maintain positive and cooperative working relationships with customers, co-workers and office staff.
 - Selling and promoting our services and products
 - Performing minor plumbing and electrical work
- Complying with all safety procedures, inclusive of safe working and driving habits
 - Taking pride in your work and being respectful to others
