## Premium Pool Care

### POOLIFE® NST™ Sanitizer Skimmer Sticks

NST® is a replacement for Poolife Brite Stix and does not contain cyanuric acid. Perfect for use in a skimmer, this product will destroy bacteria and organic contaminants without over-stabilizing your pool water or adding additional cyanuric acid to your water.

### Shock & Swim

This oxidizer is a proprietary blend of a powerful oxygen-based oxidizer, and a dry clarifier that replaced Shoxidizer. This unique formulation provides the benefits of oxygen-based oxidation while boosting free chlorine concentrations. This one-two punch keeps water sparkling clean and clear by eliminating organic contaminants.
