The Water Tech Volt FX-8Li is designed to clean large in-ground and above-ground pools quickly and efficiently. Powerful and easy to use, this vacuum operates independently from the main filtration system. Equipped with a 12.75-inch vacuum head and two reusable filter bags, the Volt FX-8Li can handle all types of debris, including dirt, gravel, leaves, sand, and algae.

Pool Blaster

Sale Retail \$169.99 \$135.99

Powered Leaf Vacuum is completely self-contained and does not rely on garden hose pressure to get the job done. Instead, its onboard motor, transmission, and safety clutch work together to lift leaves directly from the pool floor and deposit them into a high-capacity debris bag.
